

Open the sofa/bed

Remove the coffee table, you can place it under the other table.

If you want, you can place a cloth on the floor to protect the sofa from getting dirty. You can find it rolled up in the sofa chest.

Please, It is very important to lower the headrests of the sofa to avoid damaging it.

Lower the two heads of the sofa and locate the iron support between the two seats.

Pull the support towards you to open the bed.

In the sofa chest you have the pillows, duvet and 1 set of spare sheets.
